Dear Sir/ Madam,

In the wake of global Corona Pandemic health professionals, Police and sanitation workers are front line warriors. While implementing law of the land Mumbai Police is exposed to potential Corona infected persons. In this situation personal protection with the help of PPE kits is of paramount importance. Helping Hands Foundation through its network always has done great humanitarian work during the time of Crisis and otherwise.

In order to minimise the risk of Corona infection, your gesture of providing PPE kits is highly appreciated.

Thanking you,

Yours Sincerely,
